

We need your help to spread the word on the Lyft program and build the pool of drivers in our community.

YOU can make a DIFFERENCE

You can raise awareness and participation in this program by telling family, your communities, your friends about program to provide needed ride transportation in your community. You can help by becoming or recruiting new drivers in your area.

Help Recruit New Lyft Drivers

Lyft drivers are sparse or nonexistent in most rural areas and in some cities. We need your help to spread the word about the Lyft program and build the pool of drivers in your community. Your family, friends and neighbors can be Lyft drivers, helping those who need it to have access to transportation.

Signing up to become a driver is easily done online with Lyft.

- Drivers are fully independent, able to use their own car and control their own schedule.
- If you have a car that meets Lyft requirements, pass a background check, and are licensed and insured, you can earn income as a Lyft driver.
- We have step by step instructions as well as the link to becoming a Lyft driver on our website:

ConnectAbilityMN.org/those-we-serve/transportation/self-directed-transportation

You can choose to drive only a few hours a month or every day, the choice is yours.

However, you choose to do it, those who will be getting rides from you will be so grateful.

ConnectAbility of MN is also developing a certification program for drivers assisting riders with physical or cognitive barriers.. Keep your eyes open for more news on that in the near future.

Additional resources and tools are available on our website to help you learn to be a driver or rider and to spread the word about opportunities with Lyft in your community. We can only make this happen by working on this solution together.
